<b>Location:</b>	Edmonton (ERLC Office at Elmwood School) Room 17/18, 16325 - 83 Avenue
<b>Session Code:</b>	17-CR-313

### Who Should Attend

Grades 1 - 12 Teachers, Curriculum Coordinators, Learning Coaches, Department Heads, Administrators

### About this Learning Opportunity

This interactive two day workshop will engage you in learning the principles of Project Based Learning (PBL). Through a combination of direct instruction, video analysis and hands-on collaborative work, you will have the opportunity to plan and design an engaging and rigorous project for your students. Be prepared to provide/receive formative feedback about your project from your colleagues.

By the end of the two days, you will have a complete project that directly aligns with Alberta's Programs of Study and includes effective formative and summative assessment practices. You will walk away from the workshop with a project that is "ready" to introduce to your students!

Note: There will be "homework" following the first day of the workshop.

*This session is being offered on a cost recovery basis.*

### About the Facilitator(s)

**Corrie Ziegler** has been an educator for over 36 years and prior to joining Edmonton Regional Learning Consortium, she worked as a teacher, principal, supervisor and director with Edmonton Public Schools. She has led AISI projects, managed teams, and has facilitated numerous sessions on a broad spectrum of topics related to teaching and learning. Corrie believes in the power of collaboration and has coached numerous learning communities in working together to achieve high levels of engagement and learning for all students.
