Educators and Professionals working with Children and Youth from a Low Incidence Population

### About this Learning Opportunity

The Edmonton Regional Learning Consortium in cooperation with Alberta Education is offering this Summer Symposium in Lethbridge to staff new to working with children and youth from low-incidence populations, set in the context of the Regional Collaborative Service Delivery (RCSD) model.

The Symposium is designed for teachers and teams who will be **new to supporting children or youth from a low-incidence population** in the 2017/2018 school year.

This one day session will provide you with a broad array of hands-on activities, practical knowledge and skills development to promote academic success for your students.

For more detailed descriptions for each area: CCN - Complex Communication Needs, BVI - Blind/Visually Impaired or DHH - Deaf/Hard of Hearing, please click on the documents on the right hand side of this page.

Please choose the appropriate area that you wish to attend when you register.

*This learning opportunity is being provided through funding from Alberta Education.*
