About this Learning Opportunity

Teachers and school leaders across the province have been working diligently this week responding to school closures. If you already have teacher access to the free Alberta Distance Learning Centre (ADLC) resources to support online learning, this advanced session will expand your understanding of how to support online student learning more efficiently. This live webinar will feature ADLC facilitators who will highlight tips and tricks to:

- modify Moodle content (including creating videos right in Moodle)
- mark assessments using the quiz tool
- mark pdf documents electronically
- deliver synchronous sessions
- create quick video lessons

There will also be opportunities to ask questions throughout this live webinar.
