Please note: the webinar information (link and how to access the webinar) will be emailed to you 2 hours prior to the webinar start time. If you have not received the webinar link by then, please email info@erlc.ca.

This session is being offered to support principals and vice-principals during COVID-19 and beyond. The group will support principals from Kindergarten through to Grade 12. Join a panel of principals to discuss emerging issues in Alberta Education. The 45 minutes will be divided into open sharing and panel Q and A.

The sessions will function as a place to learn what other admin teams are doing in regards to supporting teachers and students during the current school closures. Participants will be asked (via google form survey) what topics they would like the panel to discuss each week.

Our first conversation will be on May 7th, and depending on interest, will run on through until the end of June. If you can't make May 7, please join in the following week.

This session addresses the LQS competencies

- #4: Leading a Learning Community
- #6: Providing Instructional Leadership
- #7: Developing Leadership Capacity
- #9: Understanding and Responding to the Larger Societal Context
