### About this Learning Opportunity

All learning opportunities with the ERLC regional team will focus on the Alberta Education & district priority areas.

We will look at the patterns that help us say, write and remember the numbers, what equality means and what is needed before developing adding and subtracting strategies.

### About the Facilitator(s)

**Ulana Soletsky** is the Math and Numeracy Consultant for ERLC. She has been an educator for over 30 years and currently a consultant with Greater St. Albert Catholic School Division. Ulana has a wealth of knowledge in the area of Math education.
