About this Learning Opportunity

Please note: the webinar information (link and how to access the webinar) will be emailed to you 2 hours prior to the webinar start time. If you have not received the webinar link by then, please email info@erlc.ca.

Avid readers possess larger vocabularies, background knowledge, and better writing skills than people who read less. In this workshop, participants will examine and discuss research on the reading and writing connection, instructional moves and strategies, books and other resources for increasing students' literacy skills and content knowledge across all subject areas through regular reading and writing.
