## About the Facilitator(s)

**Karen Filewych** has twenty-five years of educational experience as an elementary teacher, school administrator, and language arts consultant. In 2007, she completed her Master of Education degree in the area of literacy. Karen's first book - *How Do I Get Them to Write?* - was published by Pembroke Publishers in May of 2017. Her second book - *Freewriting with Purpose* - was published in January of 2019. Both books are practical guides for the teaching of writing and include lists of mentor texts for each area of study. Karen continues to write and has some exciting projects in the works!

Karen presents regularly for teachers on a variety of topics. She especially enjoys working with students through school-based writing residencies to demonstrate how writing can transform their work and their lives in the classroom and beyond. She also offers parent literacy evenings providing simple, effective ways to engage children in literacy-rich activities in the home.
