

## Getting Ready to Teach Gr 7 & 8 with JUMP Math

<b>Facilitator(s):</b>	Donna Prato
<b>Date:</b>	August 18, 2022
<b>Time:</b>	10:00 am – 11:00 am
<b>Cost:</b>	No charge
<b>Location:</b>	Virtual
<b>Type:</b>	Webinar
<b>Session Code:</b>	22-MA-289

### Target Audience

Math Teachers, Administrators, Instructional Coaches

### About this Learning Opportunity

In these critical “transition” years, it is vital to bolster confidence, strengthen computational fluency and mastery, and motivate independent mathematical decision making. In this practical webinar, Donna will demonstrate how JUMP Math can help you plan engaging interactive math learning through guided exploration, varied practice, and immediate feedback. We will spend time exploring the new Western Edition of the Gr 7 resource, and the JM Essential Lesson Packs.

*This learning opportunity is being subsidized through funding from Alberta Education.*

### About the Facilitator(s)

Donna was a teacher with Edmonton Public Schools for over 30 years before retiring and joining the JUMP Math team in 2017. She worked in Junior High for all of her teaching career, starting as a Home Ec. and Language Arts teacher, then moving to Mathematics. She was also a Curriculum Coordinator, Counsellor and Assistant Principal. Donna loves how JUMP Math structures lessons to ensure students are able to learn and be excited by Math, and she is excited to be able to share this love of JUMP Math with you.
