About this Learning Opportunity

1. A handout will be emailed to you prior to the session
2. In order to receive a certificate, **you must attend all 3 days of training**
3. Upon successful completion of this course, employers (school divisions etc.) accept the Certificate of Completion and permit the holder to administer, score and interpret Level B assessments. Acceptance of this or any such proof of training always remains with the employer, but acceptance has been virtually unanimous
4. There will be a 45 minute lunch break each day, with breaks throughout each day at the discretion of the presenter

Participants will:

- Understand the 3 levels of testing and how they differ and the role of each level in assessment
- Key Principles of testing including:
 - Provincial, national and international standards
 - Ethical test selection and use
 - Understanding measurement statistics
 - Understanding standard Scores, T scores, Z scores, percentiles ranks, grade and age equivalent
 - How to interpret standard scores
 - Interpreting test results to parents, children and teachers
 - Choosing tests with precision
 - Understanding measurement error, confidence intervals

This session is being offered on a cost recovery basis.

About the Facilitator(s)

Dr. Dave Carter

Dr. Dave Carter has been an educator for more than 40 years, having worked as a grade 6 and 7 teacher, Learning Assistance Teacher (K-7), a school psychologist for grades K – 12, and a Director of Instruction for Student Services in both the Central Okanagan and Surrey, B.
