Grades 4-6 Science Teachers

About this Learning Opportunity

Are you ready to start planning your first unit in Science? You might be wondering about Where to start? What resources can I draw from? What sites might I use? ...and more! Join in as we unpack the answer to these questions and explore all that is available.

About the Facilitator(s)

Chris Zarski

Chris Zarski has been an educator for over 40 years, and has served as a teacher, principal, supervisor and director and Examiner for Alberta Education. Currently is serving as a Curriculum Implementation Consultant with CARC on secondment from her role as the Director of Instruction and Staff Development for STAR Catholic Schools. Chris has led numerous district wide initiatives, provided over 600 professional learning sessions, and co-authored/consulted on 18 mathematics resources. She is actively involved with the pedagogy of deeper learning, authentic assessment designs enhancing curriculum delivery and the integration of FNMI resources into all curriculums. Chris loves to learn and believes that all students have the ability to learn at high levels. She also believes that teachers have the best profession ever – enlightening new minds and sparking interest in learning!
