Grade 1-3 math teachers

### About this Learning Opportunity

This webinar will focus on how Mathology supports the Alberta curriculum, grades K-3 with Mathology.ca Resources. Learn how to find just the right activities using the Math Little Books, virtual tools and activities that are engaging for your students. Join us as we explore activities to engage your students next week and throughout the school year. Free 30-day trial included with registration.

### About the Facilitator(s)

#### Kimberley Mastromartino

Kim Mastromartino is an experienced educator, facilitating learning at the National, Provincial and District level. She has over 25 years' experience working in various roles at the District level and Ministry of Education. Over the years her passion for learning has been driven by experiences as a Parent, Teacher, Consultant, Facilitator, Faculty Advisor.

Currently working as the Planning and Implementation Manager for Math with Pearson Canada and providing support to all things Mathology. Supporting Educators in their learning is at the heart of Kim's partnerships in collaboration.
