About this Learning Opportunity

This webinar will focus on how the Math Little Books support the Alberta Curriculum. Learn how to find just the right activities using the Math Little Books and activities that are engaging for your students. Join us as we explore activities to engage your students next week and throughout the school year. Math Little Books are available in New Learn Alberta.

About the Facilitator(s)

Siobhan Murphy

Siobhan Murphy is the Planning & Implementation Manager for Literacy for Pearson Canada. She has been in the field of education for 20 years, including teaching at the elementary and junior high levels, as a district lead literacy teacher and on secondment at the Edmonton Regional Learning Consortium as a literacy consultant. Siobhan is passionate about all things literacy. She completed her Master's degree in education at the University of Alberta focusing her research on assessment for learning in elementary writing.
