About the Facilitator(s)

Adelee Penner comes to ERLC having most recently served as an Assistant Superintendent of Schools. Adelee started her career in Manitoba and moved to Alberta in 2005. Her career has evolved over the years through working in several school jurisdictions, in both the private and public system, and from working for Alberta Education supporting school systems in Field Services. Adelee is a passionate lifelong learner. Using the provocation from Seth Godin, "When was the last time you did something for the first time?", Adelee works with others to create a culture for learning that is comfortable taking risk, trying new things and considers alternate perspectives.

This learning opportunity is being subsidized through funding from Alberta Education.
